Elevate the fundraising experience for you and your donors.

FACTS Giving is an easy-to-implement, affordable advancement platform that maximizes donor relationships to raise more money for your school.

Manage Donor Relationships

Grow a stronger donor base with our robust solution.

- Organize your donors with intuitive profile management
- Generate reports that facilitate increased giving
- Enhance and build donor relationships with our communication tools

Let Donors Give Their Way

Choose from a variety of tools for donors to contribute to your school.

- Design online fundraisers that allow donors to contribute to multiple projects within your school
- Allow donors to set up a monthly giving program
- Give donors the convenience of text-to-give

Get a Jump Start

- Integrates with FACTS Student Information System, saving you time on data entry
- Transfer data from other systems or spreadsheets into Giving with the help of the FACTS team
- Designed specifically for schools by a trusted K–12 software provider

All Plans:

- All credit card payments 3.05% (AMEX 3.50%) plus $0.30 per transaction.
- All ACH payments 1% plus $0.30 per transaction (effective September 2025).
